EXPERIENCE

JVC SOLUTIONS | Software Engineer
Oct 2024 - Present
- Designed, developed, and maintained web applications using modern frameworks and technologies.
- Collaborated with cross-functional teams to gather requirements and deliver scalable solutions.
- Improved application performance and optimized code for efficiency and maintainability.
- Implemented APIs, performed debugging, and ensured code quality through testing and review.

JSPIDER TRAINING AND DEVELOPMENT CENTRE | Java Developer Trainee
Jul 2023 – Jul 2024
- Completed intensive training in Core Java, JDBC, Servlets, JSP, and Spring Framework.
- Developed mini-projects applying object-oriented programming, MVC architecture, and database connectivity.
- Gained hands-on experience with MySQL, HTML, CSS, and JavaScript for full-stack development.
- Participated in coding challenges, debugging sessions, and team-based project development.

PROJECTS

JVC EMS EXPENSE MANAGEMENT
Technologies Used: JVC EMS, JavaScript, HTML, CSS
- Developed a web-based Expense Management System to automate employee expense tracking and approval workflows.
- Designed and developed the front-end interface and interactive dashboards for approval workflows.
- Improved application reliability through unit testing, debugging, and code optimization.

JVC EMS TASK MANAGEMENT
Technologies Used: JVC EMS, JavaScript, HTML, CSS
- Developed and enhanced the Task Management module within the JVC EMS platform to streamline task assignment and tracking.
- Created responsive user interfaces using HTML, CSS, and JavaScript for better usability and accessibility.
- Implemented features for task creation, progress tracking, and status updates to improve team productivity.

LAKSHAY CONSTRUCTION – COMPANY WEBSITE
Technologies Used: HTML, CSS, JavaScript, Bootstrap
- Designed and developed a responsive company website for Lakshay Construction to showcase services, projects, and contact information.
- Built user-friendly web pages with clean navigation and modern UI components.

EDUCATION

SHRI RAM GROUP OF COLLEGES, MUZAFFARNAGAR
Bachelor of Technology in Computer Science and Engineering
Aug 2019 - Jun 2023
CGPA: 8.21

SARASWATI VIDYA MANDIR INTER COLLEGE, SHAMLI
Intermediate
Apr 2017 - May 2018
Percentage: 83

TAXSILA PUBLIC SCHOOL, MEERUT
High School
Apr 2015 - May 2016
Percentage: 89.3

SKILLS

PROGRAMMING
- HTML • CSS • JavaScript • Java • J2EE
- Hibernate • JPA • Spring Boot • PHP
- MySQL

TECHNOLOGY AND TOOLS
- Git/Github • Visual Studio Code
- Eclipse • IntelliJ IDEA

CERTIFICATION

- CORE JAVA CERTIFICATION FROM INTERSHALA
- JAVA CERTIFICATION FROM HACKER RANK
- SQL CERTIFICATION FROM HACKER RANK
- LEARN JAVA CERTIFICATION FROM CODECHEF
- JAVA FOR PROBLEM SOLVING – 1 CERTIFICATION FROMCODECHEF
- JAVA FOR PROBLEM SOLVING – 2 CERTIFICATION FROMCODECHEF
